A lunch will be prepared by our ILC women. Registration is \$10 and can be sent to or left in the church office. We would like registrations by September 1. Hope to see you there. Join us for the **Umpteenth Hallelujah Golf Open** for a fun afternoon on Saturday, Sept 24th at 1:00 at the Rosman-Glendale golf course (north of Harlan). Tanzania Well Update: We hit water already! Over the weekend of July 31st, contributions came in that put us over the initial goal for another well in TZ. The request went out to start looking for the sight with the most need for water in the Kidugala region. Pastor Wallace got back to us the next day saying that the regional hospital at llembula needs water badly and that they could get started! We have visited this hospital and we pass by it on most trips to Kidugala. After the testing was complete on Saturday they successfully drilled a deep well on Tuesday! Now the pump, tower and pipe may take months to finish, but the well has been drilled to 165 meters and is producing good quality and a good quantity of water. Stay tuned. Bwana Asifiwe! (Praise the Lord) Thanks again to all who have been led to contribute so far.

SHOES NEEDED! If you have gently worn, used or new shoes taking up space in your closet, those shoes can be re-purposed and shipped to developing nations where many cannot find jobs. Micro-entrepreneurs can be supplied with merchandise to sell in their local market places, creating small self-sustaining businesses. Re-purposing the shoes also reduces our carbon footprint, reduces the need for raw materials, and consequently helps protect our environment. If you have any type/size of shoes that you are willing to donate, they can be placed in the donation box. What an easy way to help others and protect the environment!
