ANNOUNCEMENTS

WELCOME! We are glad you are here today. Thank you for joining us in worship. You are welcome to join us for donuts, coffee and juice in the fellowship hall after worship.

WE CELEBRATE COMMUNION today. All baptized followers of Jesus who have received preparation for Communion are invited to participate. We believe that Communion is the reception of "the body and blood of our Lord Jesus Christ given with bread and wine instituted by Christ himself for us to eat and drink." Communion is a sacrament, a gift of the Gospel for the renewal and strengthening of faith. A person is well prepared and worthy to receive Communion who believes the words, "given and shed for you for the forgiveness of sin" because the words, "for you" require simply a believing heart. White grape juice is available in the center of the trays as an alternative to wine.

Immanuel has a nice fenced-in garden on the east side of the church. Anyone who would like to plant veggies or flowers in it is most welcome. Just let Connie know in the office at 755-5207.

SHOES NEEDED! If you have gently worn, used or new shoes taking up space in your closet, those shoes can be re-purposed and shipped to developing nations where many cannot find jobs. Micro-entrepreneurs can be supplied with merchandise to sell in their local market places, creating small self-sustaining businesses. Re-purposing the shoes also reduces our carbon footprint, reduces the need for raw materials, and consequently helps protect our environment. If you have any type/size of shoes that you are willing to donate, they can be placed in the donation box. What an easy way to help others and protect the environment!

WELLS!!! The construction of wells in Tanzania has been a great opportunity for our congregation to contribute to our ongoing mission. With that in mind, members of our congregation have been lead to generously contribute to the well project. If anyone contributes towards a well, doesn't matter the amount, we will put it in a special line item in the Tanzania budget. For every \$10,000 (this is the cost of a well) that is designated, we will drill one in a location that needs water. A poster of a well is in the Narthex so everyone can follow along with the progress. Please mark funds "**Tanzania Well Project**". Thank you for seeing a need and responding. The Tanzania Team
